

NICE FIT: NICE Guidelines and The Faecal Immunochemical Test Study

Newsletter #3: April 2018

Welcome to all the non-London sites who have joined the NICE FIT study! We now have **24 sites** recruiting nationally in total, with more in set up.

Meet the lab team at Guildford

We are collaborating with the Bowel Cancer Screening Southern Programme Hub, based at Royal County Surrey Hospital. The team is led by Dr Sally Benton, and receives, processes and analyses all the FIT results for the NICE FIT study.

(L-R) Shane O'Driscoll, Sally Benton, Carolyn Piggott, Cerin John

New sites activated last month:

- Western Sussex Hospital NHS Foundation Trust – Worthing Hospital and St Richard Hospital
- Wrightington, Wigan and Leigh NHS Foundation Trust
- Surrey and Sussex Healthcare NHS Trust
- Salisbury NHS Trust
- Isle of Wight NHS Trust
- Royal Bournemouth and Christchurch Hospitals NHS Foundation Trust

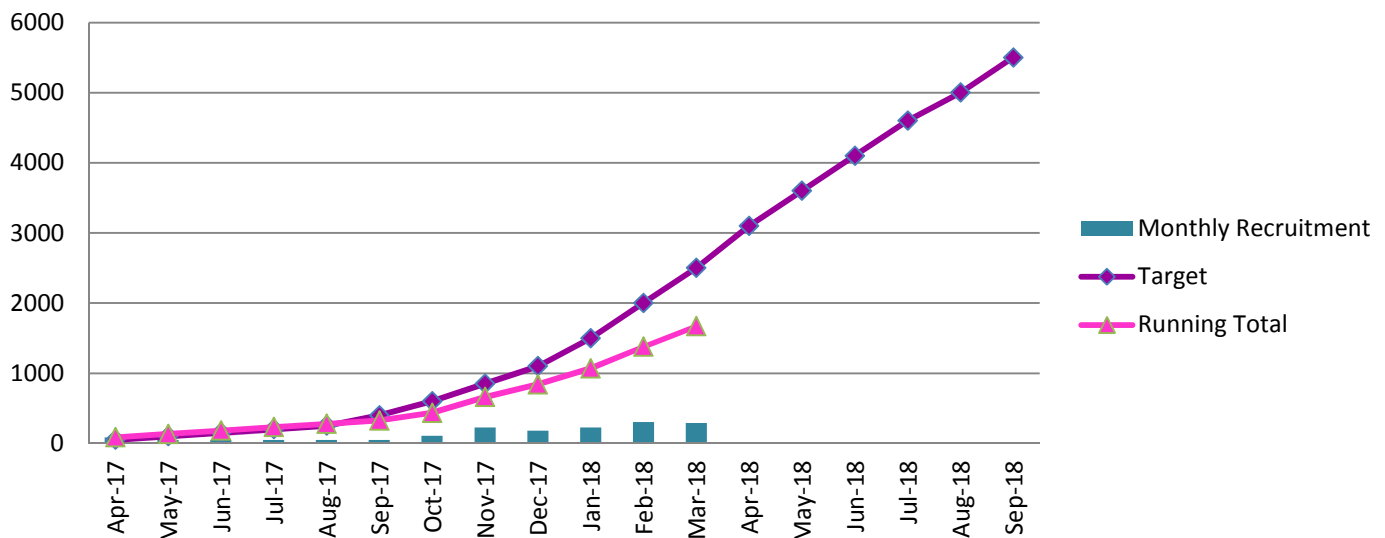

Screening lists – London sites only

Please continue to send through screening lists. We have seen an increase in study uptake since we have removed signed consent, but we need lists sent to us immediately once a patient has been vetted for a colonoscopy to allow enough time for the patient to provide a stool sample.

More days to colonoscopy = Participation into NICE FIT
